

EasyGrants Summary August 2010

Grant: PPCA Performers' Trust Foundation G04944

Provider: Phonographic Performance Company of Australia (PPCA)

Category: Arts & Culture

Funding: There is no specified limit. However, funds are finite and there is no guarantee that you will receive all or any of the funds you request.

It is unusual for grants to be approved in excess of :

- \$2,500 for an individual; or
- \$5,000 for a group or organisation

Closes: Ongoing

Purpose: To promote and encourage music and the performing arts.

Overview: The grants provided are non-recurring (i.e., one-off grants rather than a periodical payment), and are determined by the four trustees of the trust.

All applications for grants are reviewed by the trustees and must be for one or more of the following purposes:

- performances at concerts at or for charitable institutions such as hospitals or homes for the aged
- scholarships for the promotion and encouragement of musical and theatrical education
- the promotion and encouragement of the performing arts to the general public
- the aid or assistance of any beneficiary who is unable to adequately maintain herself/himself by her/his own exertions and other income.

A grant under the PPCA Performers' Trust Foundation can be used for costs associated with the above, including:

- Tuition fees
- Travel costs (hire, airfares, petrol)
- Accommodation
- Venue hire/ PA hire.

The trustees meet four times a year to consider applications. Applications are circulated to all trustees prior to each meeting.

Limitations: A grant cannot be used to cover wages, salaries, commissions etc.

Although the trust is discretionary, the trustees are guided by the 'purposes' articulated in the trust deed. As a result,

it is not their usual practice to approve funding for any project of a commercial nature. This would include:

- investments in recordings (e.g., studio time, producers fees, session musician fees, manufacturing or distribution costs);
- concert or festival promotion or staging costs;
- tour support;
- artist management expenses; or
- equipment purchases.

You should also note that the trustees are unlikely to approve applications seeking funding for the majority of costs related to a project, and look to applicants to contribute and/or explore additional funding sources.

Grant: Sydney Leadership S02398

Provider: The Benevolent Society

Category: Community Services & Development

Funding: Various

Closes: 15 October 2010

Purpose: To undergo the Benevolent Society's Leadership program.

Overview: The Sydney Leadership Program is a year long social leadership development program for senior decision

makers who want to lead change in their own communities, organisations and spheres of influence. It is a vehicle for

professional and personal development. Participants learn what it means to exercise leadership. They come face to

face with the reality of the complex social problems facing our region and our communities.

Graduates join a growing and committed Alumni network, with the skills and drive to exercise leadership in the most

challenging and uncertain social environments. Our unique approach to leadership development is delivered in a highly experiential learning style and draws extensively on the adaptive leadership model. In contrast to traditional models adaptive leadership views leadership as an activity rather than a position. It advocates that individuals can lead without formal authority.

By the end of Sydney Leadership, you will have:

- a pragmatic and transferable leadership model
- more in-depth knowledge of a range of social issues
- greater self-awareness and clarity of purpose and values
- a broader network across corporate, community and government sectors
- greater understanding of partnership and collaboration
- greater confidence to act
- more resilience
- an understanding of how to work with diversity
- an understanding of how to work across sectors.

You will also be a member of the Social Leadership Australia Alumni, a network of around 350 individuals drawn from all areas of the community.

The full cost of the 2010 Sydney Leadership Program is \$14,800 +GST. This covers all participant expenses including accommodation, travel, food and resources. The cost is made up of two parts:

1. Participant personal contribution: Each participant is required to make a personal contribution of \$800 +GST towards the cost of the Program.
2. Employer/sponsor contribution: The cost of the Program for employers is \$14,000 + GST. If your employer is unable to contribute the full amount and you cannot secure sponsorship from another source, contact the Program Manager to discuss other options.
